

Town of Wood River Ordinance
Building Permit Fees

Whereas: Building permits are required for all but routine maintenance in the Town of Wood River and

Whereas: No fee has been charged to cover the expense of issuing these permits and

Whereas: The residents of the Town of Wood River present at the Annual Meeting, Saturday April 13th empowered the Town Board to assess such a fee and

Whereas: A method to collect such fee, other than voluntary compliance, and a penalty for non-payment of such a fee is an important part of this ordinance. --

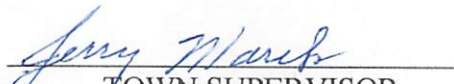

Therefore be it resolved: That the following fees will be charged for Building Permits:
Dwelling - \$75.00, Non-Dwelling - \$25.00, Commercial Building - \$150.00, and Additions - \$25.00 and

Be it further resolved: That a 10% fine will be added to the original fee on permits not obtained and paid for prior to construction. On notification to owner, all unpaid fees and fines will be added to the tax bill.

This ordinance will take effect immediately upon adoption by the Wood River Town Board
