

Town of Wood River
2023 5-year road plan

The Board of Supervisors accepted this plan on May 10, 2022. Variables such as weather, budget, unforeseen road decay and other unknowns are likely to occur and cause this plan to be amended.

2023

1. Resurface So. Williams from Crosstown to Wood Lake Road
2. Patch culverts on Assembly Road from County Road Y to Williams.
3. Crack fill and chip seal Rylander, So. Williams from Hwy 70 to Crosstown, and Crosstown to the town line going west.
4. Dig out the bad spots on Assembly Dr at the end of the road and gravel them: leave to see if it will stabilize.

2024

1. Assess Assembly Dr
2. Crack fill and chip seal as budget allows.

2025

1. Grind and reconstruct and pave Little Wood Lake Road from Hwy 70 south to Surrel Road
2. Crack Seal

2026

1. Grind and resurface S. Williams Road from Wood Lake Road to Assembly Road
2. Culverts as needed.

2027

1. Grind and resurface N. Fork Road from Co. D to LaRa Road and possibly replace the bridge if grant monies are available.
