

Town of Wood River
2025 5-year road plan

The Board of Supervisors accepted this plan on May 14, 2025. Variables such as weather, budget, unforeseen road decay and other unknowns are likely to occur and cause this plan to be amended.

2025

1. Grind Little Wood Lake Road from Hwy 70 south to Crosstown raise it and put GeoMat down: replace four culverts
2. Reconstruction of N. Fork bridge and grind and reconstruct N. Fork Road from Co. D to LaRa Road
3. Repave if it is to be done according to grant.

2026

1. Culverts as needed.
2. Scrub seal Assembly Road from Y to the end.
3. Resurface Little Wood Lake Road

2027

1. Grind and resurface S. Williams Road from Wood Lake Road to Assembly Road

2028

1. Grind and resurface Crosstown from Y west to Strom's field road. Replace culverts

2029

1. Assembly Drive
